

TRANSFORMING KITCHENS SINCE 1989

THE KITCHEN REFURBISHMENT COMPANY

Kitchen Refurbishment Specialist

By using your existing units we specialise in transforming kitchens with high-quality refurbishments. offering bespoke design and installation.

We replace doors, panels cornice, pelmet and all other peripherals and fittings. We can add new units, re-purpose existing units, install internal wirework and bins. Change worktops, sink and taps.... The options are endless and with over 100 door designs and colours available there is sure to be an option for your dream kitchen.

With 30 years of experience and hundreds of happy customers, at The Kitchen Refurbishment Company we offer a quality, local service from a family business that really cares. We know what's important when choosing a new kitchen and also what's important in terms of budget and minimising disruption.

We like to think that we offer the best of both worlds – the kitchen of your dreams with the exact finish, colour and materials you need, without the disruption and without the hefty invoice at the end.

Whether you are looking for a top end kitchen refurbishment with a larger budget, or simply looking for a quick and simple makeover, we have the expertise and experience to meet your brief, while saving you money along the way. We can even supply you with the simple kitchen doors and materials if you're handy yourself.

Doors

You choose the design, the shape, the colour and the texture and we'll do the rest. From popular Shaker and traditional panelled styles to high gloss soft-touch closing options, our range offers you complete flexibility to bring your ideal kitchen to life.

Once you've made your choices (and we'll be on hand to help guide you through the process making it a hugely enjoyable experience) we then produce a fully bespoke door and drawer front that meets your needs exactly. Using the latest technologies combined with local craftsmanship (all our doors are made here in the UK), not only is your door a work of art, but it's also guaranteed for 6 years.

Taking it further we take your preferences and apply the same colour, texture and finish to all those other elements that make your kitchen complete – from cornices and pelmets to end panels and kick boards.

Bella and Aspire

By far our most popular range we offer. A fully made to measure range with over 100 colours and styles from J handleless to traditional shaker, there is something for every taste.

Complemented with a range of matching accessories to include pelmet, plinth corner units... The list goes on. And with a 6 year guarantee you can be sure of the kitchen of your dreams will last and look like new for years to come.

Customer Testimonial

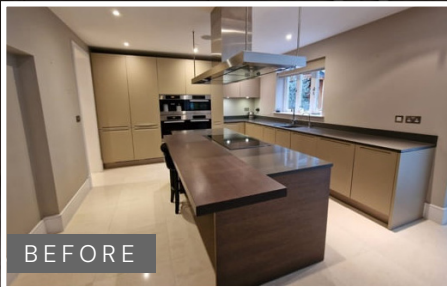

"We were impressed with the Kitchen Refurbishment Company from the very first visit. Shane's professionalism, attention to detail and innovative ideas to refurbish and modernise our kitchen was outstanding. The team were a pleasure to deal with and we were kept informed and updated every step of the way. Absolutely delighted with the finished product and would highly recommend this Company."

- JEAN B

We would 100% recommend The Kitchen Refurbishment Company. We are really pleased with our new kitchen and Shane and his team did a brilliant job at totally refurbishing our kitchen including new worktops, tiling and flooring. The cost was great value but work completed to an excellent standard. Shane was great at communicating and always helpful with any questions. Thanks so much!
